TOKYO Belle époque

POINT2

Enhance your Japanese ability while studying the latest in beauty techniques!

Learn from beauty industry professionals in class
The close proximity of teachers and students in classes at Tokyo Belle époque makes it easy to ask questions and address areas that are unclear right away.

Learn alongside Japanese students
Classes at Tokyo Belle époque are conducted in Japanese. International students will experience a natural improvement in their Japanese-language ability by communicating with their Japanese classmates as they pursue their studies.

POINT3

Full assistance with daily living offered as well!

In order to enjoy a satisfactory student life, one must have stability in their day-to-day life. At Tokyo Belle époque, daily health management and living environment support is in place to put students at ease.
